

## Protégé Auditions

Each student registered for the Super Convention will receive a number to wear during **ALL** convention classes. Numbers will be distributed before the first class on Sunday **ONLY**. Students must be in every class to be eligible to audition for Protégé.

Students will be chosen from the petite, junior, teen and senior rooms to audition for the Protégés to represent DMA Chapter #33 at the next Super Convention. There will be 10 Junior Protégés chosen from the petite and junior rooms. The Junior Protégés will receive a Protégé t-shirt or dance top and will be recognized onstage at the next Super Convention.

There will be 10 Senior Protégés chosen from the teen and senior rooms. The Senior Protégé dancers will perform during the performing arts competition at the next Super Convention. The Overall Winners of the Junior and Senior DMA Scholarship auditions as well as all the title winners are automatically Senior Protégés. Rehearsals for the protégé dance will take place at the convention hotel on Thursday evening and Friday morning prior to the convention. All rehearsals are mandatory for participation. All students selected as Protégé dancers must be registered for the 2011 Convention. Protégé dancers must be students of a member teacher.

Please do not audition for the Protégés if you cannot be in attendance at the 2011 Convention. We have had problems with this in the past so we will select a 1<sup>st</sup> and 2<sup>nd</sup> alternate from Teen/Senior classes. Those dancers will become Protégés in the event that a previously chosen Protégé cannot attend the convention.
